Comments: As a tourist who plans on riding my adventure motorcycle around the US I want to be able to visit the COBDR that includes parts of Grand Mesa and the rest of Colorado lands. The BDR supports and encourages safe and responsible riding. Allowing BDR routes to go through these certain areas will enrich not only the tourist visiting but the locals also. I hope you guys do the right thing and continue to allow the BDR to operate in the area when the new plans come out.
