First name: Ralph E.

Last name: Clark III

Organization:

Title:

Comments: Thank you for the opportunity to submit to the GMUG National Forests. I support the comments submitted by the High Country Conservation Advocates and particularly Alternative D along with the Wildlife Management Areas and wilderness. I would also suggest active research and planning restoration of areas affected by beetle kill. I also suggest Wild and Scenic River protect for tributaries to the Chochetopa Creek and the Beaver Creek east of the Fossil Ridge Recreation Management Area.
