Comments: I work as the Land Use representative for Colorado Four Wheeler in Colorado Springs. As I may not have a lot of time on all the trails in the area, I have worked extensively with C.O.R.E. and Stay the Trail. Marcus and Sam have an excellent track record on land management throughout the state. I support their organization's recommendations and suggestions as proper and well thought out solutions for future growth in our state's trails system growth and land management.
