Title:

Comments: I mostly support Alternative D of the GUMG Forest plan, however, I would like to see a reduction in the size of the suitable timber base proposed in this alternative. Additionally, There are several Crested Butte-area streams that have been left out of the revised draft Forest Plan that should be found eligible for Wild & Scenic River protection:

Slate River (Headwaters to Poverty Gulch, Poverty Gulch to Oh-Be-Joyful, and Oh-Be-Joyful to Town of Crested Butte)

Daisy Creek (Headwaters to Slate River confluence)

East River (Headwaters to Gothic Road Bridge, Gothic Road Bridge to Meanders, Meanders)

Upper Taylor River, Lower Taylor River (Taylor River Canyon)

Upper Brush Creek and West Brush Creek tributary

Cement Creek

Thank you for the opportunity to comment on the proposed GMUG forest plan.
