First name: Dan

Last name: Zokaites

Organization: Rock Ski Alpine

Title:

Comments: Hello,

Thank you for taking my comment. Alternative D most closely aligns with my company's needs as a permit holder.

It is particularly important to me that Alternative D be applied in the area around San Juan Huts on the northern side of the Sneffels Range. I operate Rock Ski Alpine (Doing Business as Chicks Climbing / Iris and Skiing and Cirque Guides). We utilize the backcountry terrain around the huts for important programing including avalanche education courses, woman non-binary and other underserved country user programing, and custom guided tours. It is essential that this area remain unmotorized.

Sincerely,

Dan Zokaites
