Comments: Our rivers are some of the most important assets on the Grand Mesa Uncompahgre and Gunnison National Forest. All free-flowing rivers with outstandingly remarkable values must be found as eligible for wild and scenic protections. In particular, I support Wild & Scenic eligibility for all the river, creek, and stream segments described at https://ourcowaters.org/gmug/ These waters feature gorgeous scenery and without a doubt qualify as unique cultural and historic resources. Thank you for your consideration.
