Comments: I live on the Gunnison River and am passionate about preserving it's volume and vitality. This is not rocket science. We cannot sacrifice our commons to private or government industries. There is no rationale that would justify such an occurrence. Our rivers are some of the most important assets on the Grand Mesa Uncompahgre and Gunnison National Forest. All free-flowing rivers with outstandingly remarkable values must be found as eligible for wild and scenic protections. In particular, I support Wild & Scenic eligibility for all the river, creek, and stream segments described at <https://ourcowaters.org/gmug/>. These waters provide rare habitat for many important species. Thank you for your consideration. Jan Carroll
