Comments: I live in Paonia, Co. Our waters are our most important asset. They support our agriculture, our tourist economy and our souls. Free flowing rivers must remain just that, free. We must learn from past mistakes a move into the future in a more sustainable way and our rivers are a great way to that. Our rivers are some of the most important assets on the Grand Mesa Uncompahgre and Gunnison National Forest. All free-flowing rivers with outstandingly remarkable values must be found as eligible for wild and scenic protections. In particular, I support Wild & Scenic eligibility for all the river, creek, and stream segments described at <https://ourcowaters.org/gmug/> These waters feature gorgeous scenery and without a doubt qualify as unique cultural and historic resources. Thank you for your consideration. Let them flow!! Sincerely, Jenna Cichanski
