Comments: Our rivers are some of the most important assets on the Grand Mesa Uncompahgre and Gunnison National Forest. All free-flowing rivers with outstandingly remarkable values must be found as eligible for wild and scenic protections. In particular, I support Wild & Scenic eligibility for all the river, creek, and stream segments described at <https://ourcowaters.org/gmug/> I live near the Uncompahgre River and value it for the fish and the birds, especially the eagles that fly here and nest above the river along with the Great Blue Herons. Please continue to protect this river and all rivers in Colorado. Thank you for your consideration. Sincerely,
Rosemary Esty
