Comments: Our rivers are some of the most important assets on the Grand Mesa Uncompahgre and Gunnison National Forest. All free-flowing rivers with outstandingly remarkable values must be found as eligible for wild and scenic protection. In particular, I support Wild & Scenic eligibility for all the river, creek, and stream segments described at <https://ourcowaters.org/gmug/> These waters feature unique, outstanding, and popular outdoor recreation opportunities that are critical to our Colorado way of life. We are all seeing the devastation wrought by the global scale of wild lands destruction, and so-called domestication of same. Please, keep our rivers flowing free, and honor the undeniable bounty of our wild lands. Thank you for your consideration.
