Comments: Our rivers are some of the most important assets on the Grand Mesa Uncompahgre and Gunnison National Forest. All free-flowing rivers with outstandingly remarkable values must be found as eligible for wild and scenic protections. In particular, I support Wild & Scenic eligibility for all the river, creek, and stream segments described at <https://ourcowaters.org/gmug/> Water is one of the basics along with air and soil that we MUST have to survive. It is the basis of life. These waters feature gorgeous scenery and without a doubt qualify as unique cultural and historic resources. I live in Paonia and the North Fork of the Gunnison runs right through town. It is an attractive feature to tourists, rafters, etc. Thank you for your consideration.
