Comments: Our rivers are some of the most important assets on the Grand Mesa Uncompahgre and Gunnison National Forest. All rivers with outstandingly remarkable values must be found as eligible for wild and scenic protections. In particular, I support Wild & Scenic eligibility for all the river, creek, and stream segments described at <https://ourcowaters.org/gmug/> These waters feature gorgeous scenery and recreational opportunities and should be managed to maintained and increase these opportunities. Thank you for your consideration. Sincerely, Ben LoBue \
