Comments: Dear U.S. Forest Service Representative, Our rivers are some of the most important assets on the Grand Mesa Uncompahgre and Gunnison National Forest. All free-flowing rivers with outstandingly remarkable values must be found as eligible for wild and scenic protections. In particular, I support Wild & Scenic eligibility for all the river, creek, and stream segments described at <https://ourcowaters.org/gmug/> These waters provide rare habitat for many important species. Thank you for your consideration. Sincerely. Stacey A. McCulloch Crestone, CO
