Comments: Our rivers are some of the most important assets on the Grand Mesa Uncompahgre and Gunnison National Forest. All free-flowing rivers with outstandingly remarkable values must be found as eligible for wild and scenic protections. In particular, I support Wild & Scenic eligibility for all the river, creek, and stream segments described at <https://ourcowaters.org/gmug/> These waters feature unique, outstanding, and popular outdoor recreation opportunities that are critical to our Colorado way of life. As I live at the headwaters of the San Miguel River, I care that all Colorado rivers are protected for future people especially my grandchildren. Thank you for your consideration.
