Comments: Please, please do all you can to protect our precious rivers on the Western Slope. I can't imagine that all of these wonderful recreational opportunities would continue to exist if our free-flowing waters were hindered in anyway. I strongly support wild and scenic designation for as many rivers and streams as possible. Our rivers are some of the most important assets on the Grand Mesa Uncompahgre and Gunnison National Forest. All free-flowing rivers with outstandingly remarkable values must be found as eligible for wild and scenic protections. I am a kayaker and I've been particularly interested in the Western Slope rivers. They are critical to maintaining quality of life for residents and serve as magnets attracting tourists. Thank you for your consideration. Sincerely, Barbara Silverman Cedaredge
