Comments: Please help our rivers, who are some of the most important assets on the Grand Mesa Uncompahgre and Gunnison National Forest to stay free flowing. We and our wildlife need the rivers for wild and scenic values. Please protect them. In particular, I support Wild & Scenic eligibility for all the river, creek, and stream segments described at <https://ourcowaters.org/gmug/> These waters feature unique, outstanding, and popular outdoor recreation opportunities that are critical to our Colorado way of life. Thank you for your consideration.
