Hi there,

My name is Nik from canadasportsbetting.ca and I am running a content campaign with a number of sports sites.

Do you offer any guest posting, native content or sponsored posts advertising? If so can you send the details and price points?

In short, we are a sports betting company, but strive to make the content is natural as possible and NOT gambling centric.

Would it be possible to get an article (approved by you) published on your site?

If I have reached the wrong person, apologies and have a great day!

Thanks
