Comments: Lutsen Ski Area Expansion Project.

I wish to voice support for the proposed expansion of the Lutsen Ski Area. My family and I visit the Lutsen area every couple of years. We visit in the summer and winter. We enjoy the north shore of Lake Superior, the boundary waters canoe area and the skiing at Lutsen. An expansion of the Ski area would be a wonderful asset to the entire area. My family and I are whole heartedly in favor of it.

Best regards;
