public comemtn on lutsen ski expansion taking more land away from animal/tree use which is so vital in these human greed times

i am not in favor of this expansion jand believe this use of electricity for human waste in these times when every bit counts is not a good idea. the govt should be aware of the use of electricity and how it impacts climate change. more cars comin gup here is more energy spewed to bring on harder rains to fall and temperature to rise up 2.5 degrees to cook us all. this expansion makes no sense in these times when in fact contraction is so desired. this govt pushing this is disgusting and shows carelessness and negligencve in regard to climate change and to the human greed of taking over always more land, more land for themselves so that nothing is left for nature. i am definitely against this expansion. i. jean publiee jean public1@gmail.com and i cant understand how the clmiate folks arent up in arms about this horror.

Dear interested parties,

Please see the below information regarding a second open house for the Lutsen Mountains Ski Area Expansion Draft Environmental Impact Statement. Thank you.

Public invited to second open house for Lutsen Mountains Ski Area Expansion Draft Environmental Impact Statement

Virtual open house scheduled for November 16, 2021, 6-8 p.m. CT

Duluth, Minn., November 9, 2021 - On October 21, the Forest Service announced a 45-day extension to the public comment period for the Draft Environmental Impact Statement (DEIS) analyzing the proposal to expand Lutsen Mountains Ski Area, Lutsen, MN. This announcement extends the original 45-day comment period from October 26 to December 9, 2021.

The Lutsen Mountains Ski Area DEIS addresses potential impacts of a proposed ski area expansion onto 495-acres of National Forest System lands and describes alternatives to implement this proposal.

This public comment period extension provides additional time for interested parties to ask questions about the complex project and submit comments.

Along with this extension, the Forest Service will host a second open house on November 16 from 6:00 - 8:00 p.m. CT. The meeting will be held on Zoom; a phone line is also be available for participants to join in listen-only mode.

During the open house, you can expect:

- * An overview of the project.
- * A review of questions from the October 5, 2021 open house.
- * A question-and-answer session with Forest Service subject matter experts.

How to join: The Zoom link and call-in information is available under the public meeting tab on the Lutsen DEIS StoryMap.

A recording of the previous open house held on October 5, 2021 is available on the project website and via the project StoryMap under the public meeting tab.

How to comment: Comments on the Lutsen Mountains expansion DEIS and supporting documents must be submitted in writing, electronically, or by U.S. mail by December 9, 2021.

When you submit a comment, please include your name, address, and the title of the project: Lutsen Mountains Expansion DEIS. Comments received (including names and addresses) will become part of the project record and are public information.

Written Comments: Please direct to Michael Jimenez, Project Leader: Lutsen DEIS Project, Superior National Forest, 8901 Grand Avenue Place, Duluth, MN 55808.

Electronic Comments: Email comments to comments-eastern-superior@usda.gov. Please include "Lutsen Mountains Ski Area Expansion Project" in the subject line.

For further information about this project or questions about commenting, please contact Michael Jimenez, project coordinator, at Michael.Jimenez@usda.gov.
