No. No. No. This is a terrible idea. Please do what is necessary and right and stop this from happening. We do not need to destroy the land so we can get a few more skiers up there. It is NOT necessary. Our focus in this great state of MN needs to be to PRESERVE our pristine land, forests,water. Not destroy it. Which this expansion in time would do. Please don't allow this to happen. All the money in the world would never buy back what would be destroyed.

Thank you,

Kadie Kemp
