To whom it May Concern:

I oppose the future expansion of Lutsen ski hill in Lutsen Minnesota ..The area of Cook county cannot provide adequate housing for all employees of any business in the county .. Especially after the Covid outbreak in our county of Cook.. The ski hill does not provide any housing for their employees and the surrounding area does not adequately have enough housing either. ..All business within Cook county are having the same problem. Without the adequate number of employees the expansion should not be allowed....reading the oppositions from the superior band of Objibwa Indians further strengthens my negativity for expansion.
