My comment:

I am against the permitting of Lutsen to expand its ski terrain on what is now public land. This land does not need to be 'developed'. Additionally, I am not in favor of this land being used exclusively by Lutsen and its patrons. I also find it unacceptable that Lutsen is trying to move forward with this plan without coming to an agreement with the SHTA on the rerouting and financing of an alternative trail.

Signed,

James Didier
