Dear U.S. Forest Service,

Please do NOT expand the ski area in Lutsen Mountains. I am sure you have received many reasons to stop such expansion. From my perspective, the primary reasons to oppose such expansion are (1) to keep the Superior Forest intact, and (2) once expanded, it cannot be returned to original forest land. Please keep our natural resources intact now.

Thank you for your consideration. All the best,  
Mary Lynn Jahnke
