YES, Please DO expand Lutsen mt!!!! I am strongly FOR the proposed expansion. I would be for even more expansion of the ski area. I think it is a positive economic thing for the Lutsen area and for Minnesota.

SKIING does very little to negatively impact the animals in fact the more open ski run meadow areas will support more wildlife.

I have traveled to the north shore many times over the past 60 years. I love that area and I believe this expansion will be a great thing for everyone.

I would love to see 300+ more condos below the new runs on the south. Even better if you can make them ski in/ski out.

The ski area will have no negative impact on the hiking trail. Instead it will actually be a positive impact because the open ski runs will provide open grazing areas for wildlife and great view lanes for people.

PLEASE EXPAND LUTSEN MOUNTAIN!!
