Thank you for taking my comment into consideration.

I understand the financial benefits to the ski hill and Cook County if the expansion gets approved.

I also understand that the Ojibwe have been cheated out of so many things in the past. They own that land and even if they aren't using it now, there may be a critical need in the future.

It's theirs and I stand with the Ojibwe. Whatever THEY decide, I'm ok with.

Respectfully,

Rebecca Stoner
