To Whom It May Concern:

I'm writing to express my opposition to the planned Lutsen Mountains Ski Area Expansion Project.

The 1854 Treaty necessitates that this project be negotiated and approved by the parties to that treaty, particularly the Grand Portage and Bois Forte bands of the Ojibwe. The Forest Service, to whom Lutsen Mountain Ski Resort has submitted their expansion proposal to, is not within its sole right to grant such a proposal.

Further, the intrinsic value of the natural land and the flora and fauna on that land is far more important and valuable than the proposed plan and the changes it would invoke on that land.

Respectfully,

Mary Friedlieb
