To Whom It May Concern, I am strongly opposed to the Lutsen Mountains Ski Area Expansion Project. The Superior National Forest is a treasure that needs to be preserved. The expansion of the Lutsen Mountain Ski area to Moose Mountain will destroy a great deal of that area of the forest. Plus it will destroy sections of the Superior Hiking Trail. I am not convinced the expansion will have long term employment benefits to the area. I am requesting you not approve the expansion.

Kind regards,

Sandra Puckett
