I am emailing as a lifelong northern Minnesotan and lifelong ally to Minnesota's wonderful indigenous communities.

I want to urgently encourage you to seek out meetings with the Grand Portage and Bois Forte Bands to find an alternative plan that does not affect the sacred White Cedar areas.

Not only is following through with this project morally bad it would also be bad for business. Minnesotans care about indigenous rights - and we are watching.

Thanks for your time and consideration,

Krysta
