To whom it may concern,

I am writing to express my opposition to the expansion of the Lutsen Mountains Ski Area.

I live in Duluth and frequent the north shore often. There are many things I value about the area, but foremost among these is the abundance of public land, which I use to hike, canoe, ski, hunt, and fish. Moose Mountain, which provides outstanding hike-in downhill skiing, should remain in public hands. The Lutsen Mountains Ski Area should not receive a special-use permit that would expand the size of the resort while removing from public use land that is currently accessible to all. I oppose the proposed lease of this Superior National Forest land.

If you have any questions, please do not hesitate to contact me. I can be reached at this e-mail address or at 218-525-1791. Thank you for your consideration.

Regards,

Scott Laderman
