Title:
Comments: project proposal gives no information on number, location, or condition of wells that were previously slated to be plugged under the 2006 Plan or any information on the locations, emissions levels, or accessibility of wells now proposed to be plugged. The Forest Service gives NO data on projected environmental costs and benefits of the Project.

Please demand that the public be given information about this Project to include the following, as well as that there be timely and transparent consultation with the public before particular wells are prioritized and selected for intervention. We must be given an opportunity to weigh in
