First name: Dean

Last name: HEINEN

Organization: Yakima County

Title:

Comments: An ATT tower, also supporting Firstnet is an EXCELLENT addition to the Rimrock Lake area. It would not only serve the area for public phone service, but would also assist greatly in Public safety. Please authorize this construction.

NOTE:

The Forest Service lease/grant should ALSO REQUIRE ATT to provide shelter space and antenna space for USFS, Yakima County Fire, Sheriff , and 911
