Comments: The Stomparillaz support the Redstone to McClure Pass Trail #56913 for many reasons:

- Safety - It is dangerous to ride on Hwy 133 and a new trail will make it much safer for cyclists, pedestrians and motorists, too.
- Connection - It will allow us to ride between the communities of Carbondale and Redstone, for commuting and recreation!
- Wildlife - The trail will help to minimize human impacts on wildlife in the area.
