Comments: I would like to see some cabins for year-round rental, like out at Settler's Cove, at the Ward Lake and Last Chance campgrounds. A couple of three-sided shelters or cabins at Perseverance Lake. In the winter and even the rainy summers it is nice to get out of the weather to take a break. Bathroom and garbage can at the Connell Lake trailhead with couple of designated picnic sites at Connell Lake. There is a lot of use at this site. Garbage cans at the picnic sites at Ward Lake. Better trail markers going up to Minerva Mountain over to Carlana Lake. Improve the trail in the Alpine to help the foot traffic stay on a path. It is easy to get off the trail in the Alpine. I harvest devil's club, edible/ medicinal plants, and berries from all the trails. My harvesting starts late March through October and sometimes November.
