Comments: As a frequent user of this area my suggestion would be to upgrade and or add additional trails in the area for local hiking and cross-country skiing. In addition, a designated mountain bike trail or trails would be good. I would also like to see a disc golf course installed as well.

Most importantly, this area should not be open to cruise ship organized tours. This area is easily accessible for the locals for after work hikes and recreation and the organized tours should be bussed beyond this area to facilities on private lands towards Harriet Hunt Lake and White River Road.
