Organization:

Title:

Comments: I would like it if the Forest Service would include in the plan, a ski resort in the Ashley National Forest above Hwy 44 on the north facing mountain. There has been talks & meetings about bringing one to fruition and I feel that it would be a huge benefit to the Forest Service, to Daggett County from an economic development standpoint. It would ultimately give the county 4 seasons of travel and tourism instead of a 2 season window.

Thank you,

Joel V. Brown
