Comments: I live on 133all of my sports are in the area, cycling, mountain bike riding, ice climbing, hiking, skate skiing, cross country skiing, fishing, etc! It's imperative that we have the trail built! Heck, build it through my driveway, I don't care! At the end of the day, it's the Sustainable thing to do! I'd rather have less vehicles and more cyclists on the road! 133 is too dangerous to ride! Thanks
