Comments: Where is the employee housing for the people that will cater to these second homeowners? Where is parking for these people? Do not agree with this land trade, what does 50 acres at Stillwater Pass do for supporting this influx of people in Winter Park? Very unfortunate developers / forest service can't be open with the people that help support their greed. Don't let the mountains turn to Cherry Creek, if I want to see rusted siding and concrete I can drive to Denver. Very disappointed in you guys.
