Comments: Thank you for this opportunity to comment on the Beaverhead- Deerlodge Outfitter and Guide permits Draft EA. I appreciate all the work you have done on this to get everything in compliance.

I definitely support this EA. As an outfitter I appreciate all the attention that is being given to insure we are all taking care of the forest. My company has experienced a growth that does seem to have resulted from Covid 19 and the push to get outside. Many of our new clients are novice bikers and are looking for easier terrain. We therefore expect that we will need to request additional days in the years to come on the Madison Ranger District. We will go through our permit administrator to accomplish this, but wanted this to be on record.

Again, thank you for this opportunity to comment.
