Comments: As a frequent visitor to CB, mountain biker, hiker and trail enthusiast, I can honestly say that it would be terrific if CB had more trails that didn't require riding on roads where there is traffic, dust and noise. After all there is nothing quite like single track through miles of aspens with drop-dead gorgeous views of the mountains and meadows below and beyond. . In particular, for starters, please put in a trail from Upper Cement to Crystal, and please reroute Snodgrass. The better the ride opportunities, the more likely my family and friends are to come to CB and invest in the local community. Trails = Happiness!
