Comments: Dear Mr. Fitzwilliams,
I would like to reiterate how important it is that the USDA Forest Service WRNF follow through on its commitment to reserve an easement on the Upper Parcel for an existing recreational parking area and trail allowing beneficial users access to the beautiful and ecologically important Lower Parcel. In addition, it is my hope that either Eagle or Pitkin counties will purchase the upper parcel and use it for senior housing, low income housing, and/or recreational use similar to neighboring Crown Mountain Park. Kind regards, Nicholas Groos
