Comments: My name is Nick Miles and I am an avid snowmobiler and Back country Skier. I will be the first to admit that I enjoy recreating on my snowmobile somedays without any intent of strapping on a pair of skis. However, on those days my peers and I do so safely, responsibly, and with the utmost courtesy of others. I understand that the outdoors in general and the trail systems specifically are for everyone no matter the hobby they chose to take part in as long as they do so responsibly. I am 100% for increasing funding and whatever other resources are necessary to expand motorized vehicle recreation areas.
