Comments: It would be nice to have cabins in areas that are easy to get to. It's hard to get to most cabins in the Petersburg district especially with weather uncertainties. For my family, the water gets so rough that we can't access most cabins safely because of the wind and water. It would be nice to have some closer to town, easier to get to where you don't have to cross Fredrick sound or take a plane to get to them. PSG lake cabin would be nice but you have to fly there or hike a really long way which makes it impossible for families with young kids. Flying is expensive as well. A cabin near the bottom of Petersburg creek would be ideal and close. Also over on Tonka - Duncan closer to the dock there and easy to get to or charter there. Something on the island would be even better. Something that isn't a hike up a mountain so families can get there and pack gear. Even drivable or wheelchair accessible. There are a lot of potential spots down the narrows off Mitkof Highway and Blind Slough that would be great spots. A cabin on Farm island up the Stikine would be great. There are so many private cabins, that a lot of people can't enjoy going further up and having a cabin on Farm island would be an awesome spot as well.
