Comments: I would like to see a cabin on Mitkof possibly around woodpecker cove road or around Blind Slough.

It would also be nice to have a cabin on the lower part of Petersburg Creek. Where people can boat, kayak and hike to it. The Petersburg Lake trail would be accessible and Petersburg Mountain.

I would like to keep Dry Bay for tent camping and not put a cabin at this location. There are not many tent locations and there are many other suitable spots for a cabin that tents cannot use.

It would be nice to add either a buoy or pulley system to cabins where a boat is anchored. This way you do not have to worry about your boat and can come and go as needed.

Larger covered porches with clear roofing would be great.
