Comments: I have rented several of your Forest Service cabins over the last 10 years . They are a great way to spend a vacation, The cabins have always provided beautiful accommodations in a harsh environment. I cannot tell you how appreciative we are to have them . The cabins we used were in Thomas Bay. Its a bit of a stretch from Petersburg where we rent a skiff for our trip. My hope is that you would build several cabins on the Wrangle narrows . Maybe even one close to Kuperenoff , Petersburg Creek would be a good spot. Another would be at the south end of Mitkof Island at the very end of Mitkof Hwy . I worked for the Forest Service 45 years ago as a summer fire fighter while in college, and I am very glad Alaska Forest Service is keeping up a great tradition of providing recreation for All Americans to enjoy .

Thank You !
