Comments: Please Don't Log the Taylor/Carter LSR

Dear District Ranger Luis Palacios,

My town burned in the Almeda fire. I care about wildfire. I also care about wildlife, watersheds, and forests.

I oppose the plan for post-fire "salvage" logging and timber plantation establishment in the Taylor/Carter Late Successional Reserve.

Please work with communities and stakeholders to focus post-fire restoration on removing hazard trees near roads, addressing existing timber plantations, and utilizing prescribed fire and traditional ecological knowledge.

Thank you.

Sincerely,

M Matt Witt
