Comments: Please Don't Log the Taylor/Carter LSR

Dear District Ranger Luis Palacios,

Hi and thank you for taking time to read this.

I would like to add my voice to the many people who oppose post-fire "salvage" logging and timber plantation establishment in the Taylor/Carter Late Successional Reserve.

Wildfire is an important part of forest ecology in the Klamath Mountains and it should not be used as an excuse to log Late Successional Reserves in remote wildlands.

The significant negative impacts of salvage logging and timber plantation establishment on wildlife, watersheds, and soils are well documented and known to the Forest Service.

Thank you for listening, hope your day goes well!

- Dan

Sincerely,

Mr. Dan Altman
