Comments: To whom it may concern,

I am a UK citizen and have been a part of the Kingswood Camp community since 2002, returning to lake Tarleton in Piermont many times over the last 20 years. I now have 3 young boys who plan to attend Kingswood Camp as they come of age.

I now work as Head of Development in the education sector in the UK and we wouldn't dream of creating such obliteration of an area so inclusive in so many peoples lives, not to mention the wonderful flora and fauna that has survived hundreds of years, untouched and enjoyed by thousands of visitors.

We, strongly oppose the plans to destroy and remove the beautiful, natural, historical area suggested around the lake and request you to seek alternative options.

Many thanks for your time taken to read, digest and consider our objections.
