Comments: I am opposed to the proposed development of the Booth Heights project in Vail being sought by Vail Resorts due to the harmful impact on the local herd of Bighorn Sheep. I strongly support efforts by the Town of Vail to condemn the parcels of land currently owned by Vail Resorts. I have been a home owner in in Booth Falls area since 1991 and witness, on a routine basis, activity of the herd precisely where the project intends to build. I encourage the Forest Service to join in the fight to protect the Bighorn Sheep by using all means available to ensure no building is permitted in this area. Thank you for the opportunity to voice my opinion on this crucial matter.
