Comments: I oppose the expansion. I was born and raised in Arroyo Hondo and I'm asking for environmental protection for my community and our wildlife. The ski valley is draining our resources in order to make it more lively fun and easy for the rich who are buying up condos. I'm young and plan to raise my family in the place I love but with an extra 300,000 visitors a year my village will be over run with pollution. Please don't turn your back on me and the rest of the Taos community youth.(Had to use my mom's email)
