First name: Janet

Last name: Gabriel

Organization:

Title:

Comments: I am a parciante on the Plaza Ditch. I am very concerned about the impact that additional construction in the ski valley at the headwaters of the Rio Hondo and all new construction in the ski valley.

Please do a study to find out the environmental impact of all of these new buildings and lifts. Please inform me of the results of the Environmental Impact Statement. Thank you, Janet Gabriel, Arroyo Hondo
